# A Haunted Hayride At Mills Apple Farm

Come on out to the farm for a haunted hayride! Fun for the whole family, the spooky sites will be provided by our local 4-H clubs (as a fund raiser). You will get to vote for the "spookiest" site, with a prize going to the winning club.

The general public is invited to this "open" hayride; no reservations required. The hayrides begin at 7 pm and will last 30 minutes, with the last ride at 9 pm. Hayride cost is only \$5 per person. Food and beverages will be available for purchase at our concession stand.

Campfire, music, games.....
